ABOUT US

Sassy's Red House and Sassy's Barbecue and Grille came to life through finding the perfect BBQ sauce. Sassy Jones BBQ sauce is made in the southern tradition and is the best around! The recipe for Sassy's BBQ sauces and spices have been passed down for generations. The sauce was developed by Sassy Jones' Jasper Jones, in 1895. This sauce is good on pork, beef, chicken, dove, quail, duck, goat, lamb, rabbit, squirrel, deer, coon, possum, shrimp, catfish, shrimp, crawfish, oysters, armadillo, rattlesnake, & anything else you wanna put it on! Sassy's sauce is THE BBQ SAUCE! It is some dang good stuff!

At Sassy's we strive every day to bring a great product to our customers.

We wanted to offer a place that was for everyone, so you will notice our menu has a little bit of everything. Sorry, no rattlesnake.

We ask all of our customers for one favor... If you like Sassy's, tell a friend and leave us a review! If you don't like it, PLEASE TELL US!
